

## NEURODIVERSITY & DISABILITY

<b>SPECIAL NEEDS MATTER</b>	Three different sessions to support parents and carers of children with special needs: recognising special needs, caring for special needs children and behaviour management of special needs children.
<b>AUTISM MATTERS</b>	How to manage the highs and lows and love the quirky world of autism. Sessions available geared to both adults at work and parents of children with autism.
<b>ADULT DYSLEXIA MATTERS</b>	How dyslexia manifests in adults, what works and what doesn't work for success at work.
<b>CHILD DYSLEXIA &amp; DYSPRAXIA MATTERS</b>	A look into 2 of the most common learning difficulties, how they manifest in children and practical ways to support them.
<b>NEURODIVERGENCE MATTERS</b>	How can neurodivergent adults thrive at work and maintain their identity in a neurotypical world, often without the level of support they would have received at school.
<b>NEURODIVERSITY MATTERS</b>	Supporting neuro-diverse employees to thrive at work and helping their colleagues understand the challenges, communicate & provide support.
<b>NEURODIVERGENT WELLBEING MATTERS</b>	An insight into how and why some people need to care for themselves in a way that looks different to others and realistic interventions that help.
<b>HIDDEN DISABILITIES MATTER</b>	Understanding hidden disabilities to support those who need to be accommodated and those who want to offer help and support.
