

Female Health

Menopause	What the menopause is, the impact it may have & practical steps you can take to support employees with any physical, emotional or psychological challenges.
Pregnancy Loss	Learn what can cause miscarriage and pregnancy loss, what can be expected from the recovery process & how to support grieving parents with their return to work.
Fertility	Understanding infertility, treatments available and practical advice to support employees going through it.

“A personal and sincere thank you for the vibrant, energetic and inspirational way in which you share and educate. Neurodiversity remains so misunderstood and to hear someone speak with such insight and intelligence is a joy.”

Deutsche Bank

“It really made me feel like I can do this and gave me a structure to work from. The presenter was hugely knowledgeable and I felt like I trusted her. Probably one of the best webinars on the subject that I’ve come across so far.”
