

# Sibling Harmony Over the Summer

**Educating  
Matters**

In order to nurture  
more sibling  
harmony, it helps  
to 'SET UP FOR  
SUCCESS' around  
time.

# 1. TIME ALONE

Each child having their own space and working out how to entertain themselves.

# 2.TIME TOGETHER

Planning activities that siblings can do together that does not involve an adult.

# 3. FAMILY TIME

Brainstorming activities to enjoy together as a family with differing age groups.

# 4. SPECIAL TIME

One on one frequent, predictable, scheduled time for each parent to spend with each child.
