

# Nurturing a Love of Reading

**Educating  
Matters**

# 1. THE RIGHT BOOK

Has to be something  
engaging & enjoyable  
for your child.

# 2.READ ANYTHING

Reading does not have to involve a book - back of a cereal packet, road signs, instructions to a game etc

# 3. PARENTS AS ROLE MODELS

How often does your  
child see you reading?

# 4. READ ALOUD TO YOUR CHILD

Even when they have  
learnt to read  
themselves

# 5. MAKE TIME FOR READING

Don't overload with too many activities.

# 6. PARENT'S ATTITUDE

Keep cool and be supportive. Kids resist pressure.

# 7. RANGE OF GENRES

Follow their interests,  
tastes & experiences

# 8. COMPREHENSION

Discuss what they read  
and how they feel about it.
