

## IS YOUR WORKPLACE CULTURE TRULY INCLUSIVE?

Antisemitism is the fastest-rising type of racism in the UK today.

An estimated 70% of British Jews are hiding their identity.

Almost 50% have considered leaving Britain since 7th October 2023.

Most workplaces fail to address this subject due to:

Lack of awareness and understanding

Fear of being seen as political or taking sides

"Anti-Semitism hits all-time high in 'explosion of hatred' against British Jews"

The Telegraph

"Huge rise in antisemitic abuse in UK since Hamas attack"

The Guardian

## SO WHAT CAN YOU DO ABOUT IT?

Educate employees and raise awareness with our workshops which:

- Help to understand antisemitism 2000 years of hatred
- Give first-hand insights into the lived experience of Jewish people today
